SHELLBAGS REFERENCES:

I think one of the first publicly available articles in English about ShellBags was written by Allan S Hay http://www.engr.scu.edu/~tscocca/COEN252_09/ClassMaterials/WRA+Guidance.pdf

On October 2008, John McCash wrote on the SANS Digital Forensics and Incident Response Blog an article named "ShellBags Registry Forensics". https://digital-forensics.sans.org/blog/2008/10/31/shellbags-registry-forensics/

On August 2009, during The Digital Forensic Research Conference (DFRWS), Yuandong Zhu, Pavel Gladyshev and Joshua James presented the paper “Using ShellBag Information to Reconstruct User Activities”. http://www.dfrws.org/sites/default/files/session-files/paper-using_shellbag_information_to_reconstruct_user_activities.pdf

On July 2010, Joachim Metz started to document the Windows Shell Item Format https://docs.google.com/file/d/0B-VYGsDJPtZlVDNJQ3pWX0M1b1k/edit

On October 2011, Yogesh Khatri described the ShellBag format on his old company blog .https://web.archive.org/web/20120425082802/https://42llc.net/?p=385

On June 2012, Willi Ballenthin started to write his opensource ShellBags parser which culminated on his article “Windows Shellbag Forensics” http://www.williballenthin.com/forensics/shellbags/index.html

On July 2011, Chad Tilbury wrote on the SANS Digital Forensics and Incident Response Blog the article "Computer Forensic Artifacts: Windows 7 Shellbags". https://digital-forensics.sans.org/blog/2011/07/05/shellbags

On August 2012, Harlan Carvey wrote on his Windows Incident Response blog an article named "ShellBag Analysis". http://windowsir.blogspot.com/2012/08/shellbag-analysis.html

On September 2012, Jamie Levy wrote cover a ShellBag plugin for Volatility https://volatility-labs.blogspot.de/2012/09/movp-32-shellbags-in-memory-setregtime.html

On December 2013, Dan Pullega wrote on his site an impressive article about Shellbags named “Shellbags Forensics: Addressing a Misconception” http://www.4n6k.com/2013/12/shellbags-forensics-addressing.html

And finally Plumbing the Depths: Shellbags by Eric Zimmerman : https://www.sans.org/summit-archives/file/summit-archive-1492184337.pdf
